

DAC Formation Form

Following your PQE, you will need to form your Dissertation Advising Committee. The make up of your committee will depend on your program's requirements, so it is essential that you discuss and confirm your members with your dissertation advisor and program admin **before** you submit the DAC Formation form.

 **HARVARD** Kenneth C. Griffin
GRADUATE SCHOOL OF ARTS AND SCIENCES

Form your dissertation advising committee below. For each member, first select the faculty member's program affiliation, then find their name from the dropdown field.

Prior to submitting this form, please be sure to discuss these committee members with your program administrator.

Student Name
Program Biology (MCB)
Graduate Year G2

Exam Chair

*Program Affiliation

*Committee Chair

*How Many Additional Members?

External and Non-HILS Faculty Members (optional)

Number of External/Non-HILS Faculty

1. For each member, you first need to select their program affiliation (ex. Chemical Biology), then the list of faculty will populate. You will choose your Committee Chair first.

2. Indicate how many additional members are in your committee (up to 4). Then follow the same selection process for each

3. If you have a non-Harvard affiliated member, choosing the number will trigger free text fields to populate information on the person (max of 2)

External and Non-HILS Faculty Members (optional)

Number of External/Non-HILS Faculty

*First External Member

*Institution

*Email

*Second External Member

*Institution

*Email

4. If you have any optional external members, enter in their information.

5. Submit your form for it to be approved by you program admin, dissertation advisor, and your program head
